

Case Study

December 2011 - Issue 3

Location	Liversedge Health Centre, NHS
Panel System	Healthcare IPS Panel System
Manufacturer	Cubicle Centre Ltd
Website	www.washroomcubicles.co.uk

Launched in 2011, Healthcare IPS has proved a great addition to the product range at Cubicle Centre Ltd.

Working alongside local building contractors ADH Construction Ltd, Cubicle Centre supplied Healthcare IPS panel products for the recent refurbishment of Liversedge Health Centre.

Providing panel systems to meet with NHS guidelines and HTM 68 specification was

key to the brief. Healthcare IPS ticked all the boxes whilst providing a flexibility for the re-use of existing sanitary ware.

Manufactured in the UK, Healthcare IPS panel systems are made to measure and can be pre-assembled to save time on-site and reduce installation costs.
