Taylor's Trailers are a family run business with over 30 years experience in the design and manufacture of customised trailers.

Cubicle Centre was approached to supply cubicles and vanity units for the Luxury range of toilet trailers from New World Toilets (a division of Taylor's Trailers).

“From start to finish, good advice and service from friendly people, giving us a top quality product, which is easy to fit and enhances our units.”

Simon (Taylor's Trailers Ltd)

Boasting one of the largest colour palettes in the washroom industry, the Malvern Plus cubicle system was chosen for these units.

To complement the choice of colours, Malvern Plus is supplied with stylish, yet robust cubicle fittings as standard.
