

## ENVIRONMENTAL POLICY

Cubicle Centre is a UK based manufacturing company of toilet cubicles and associated products. We manufacture and supply only, direct from our factory in West Yorkshire.

Cubicle Centre is committed to providing a quality service in a manner that ensures a safe and healthy workplace for our employees and minimises our potential impact on the environment. We will operate in compliance with relevant environmental legislation and we will strive to use pollution prevention and environmental best practices in all we do.

### **We will:**

- Integrate the consideration of environmental concerns and impacts into all of our decision making and activities
- Promote environmental awareness among our employees and encourage them to work in an environmentally responsible manner
- Reduce waste through re-use and recycling
- Promote efficient use of materials and resources throughout our facility including water, electricity, raw materials and other resources
- Avoid unnecessary use of hazardous materials and products and seek substitutions where feasible
- Communicate our environmental commitment to clients and customers and encourage them to support it
- Strive to continually improve our environmental performance
