The Pendle washroom panel system has been developed for both Urinal and WC panel configurations. With an overall height to match a Pendle Toilet Cubicle, this box packed panel system can be cut-to-size on site to fit various cubicle widths up to a max. of 1100mm. For a complete finish each panel pack is supplied with a 1100mm (w) x 300mm (d) lid.

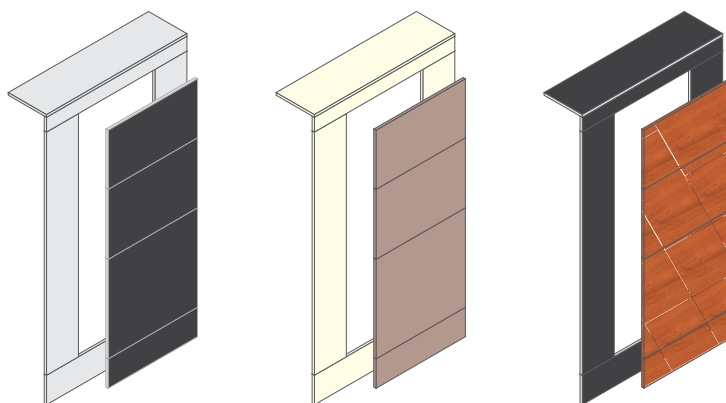

NOTE: Timber frame supplied by other. Pendle panels are NOT suitable for shower areas.

Colour Options

Grey option available as standard.

Cream and Woodgrain options are available with extended lead times.
