The Box Packed Cubicle System

Introduction

Pendle is a box packed toilet cubicle system, comprising of **Box A** (Door Pack) and **Box B** (Partition Pack).

These packs contain all the necessary panels and fittings to construct almost any configuration of cubicle commonly in use.

Adjustments can be made to cubicles to suit site requirements by reducing doors and partitions on site. The cut edges are protected by full-height door and wall channels.

Recommended minimum cubicle size:
750mm (wide) x 1500mm (deep)
