

Modern Slavery Policy

This statement sets out the steps that Cubicle Centre has taken and is continuing to take to ensure that modern slavery or human trafficking is not taking place within our business.

Cubicle Centre is a UK based manufacturing company of toilet cubicles and associated products. We manufacture and supply only, direct from our factory in West Yorkshire.

We operate a number of internal policies to ensure that we are conducting business in an ethical and transparent manner.

These include:

- A robust recruitment policy, including conducting eligibility to work in the UK checks for all employees to safeguard against human trafficking or individuals being forced to work against their will.
- We operate a whistleblowing policy so that all employees know that they can raise concerns about how colleagues are being treated, or practices within our business without fear of reprisals.
- We also require our suppliers to confirm to us that they have taken steps to eradicate modern slavery within their business.
