Porthdinllaen Caravan park is located on the beautiful coast of North Wales. The site is next to a spectacular beach, Nefyn Championship golf club and the famous Ty Coch Inn. The Ty Coch Inn was recently voted in the 'World's Top Ten Beach Bars' by a recent survey.

In 2016 Porthdinllaen secured planning to almost double the size of the park from 36 touring units to 60. The expansion also included a brand new amenities block which includes, showers, washrooms, a canteen area and a shop.

Cubicle Centre provided the shower and toilet cubicles, wall panels and the vanity units. All of these were constructed in Compact Grade Laminate (CGL) which is water resistant, vandal-proof and extremely durable. It is important that the panels are a higher quality for shower blocks, so they can withstand the high volume usage and constant cleaning.

"The new cubicles and vanity units look fantastic. Our visitors love the quality of the washroom block."
