A beautifully picturesque site spread over 10 acres in the heart of Staffordshire countryside, set against the backdrop of a working farm.

Cubicle Centre was the chosen washroom manufacturer for the site supplying the highly popular Cairngorm range for the campsite. Matching units were also manufactured for their vanity units in CGL, bench seating was supplied as part of the project.

“We were pleased with the completed washrooms in our new facilities block. Our customer feedback, since the opening has been amazing.

The Cubicle Centre were a pleasure to

deal with from the start of the project to the completion. Very helpful staff and could not do enough to help.”
