

Case Study

Location	Life Church, Bradford
Cubicle System	Cairngorm
Manufacturer	Cubicle Centre
Website	www.washroomcubicles.co.uk

The Life Church, in Bradford when refurbishing their toilet facilities chose Cubicle Centre as their preferred supplier for improving and upgrading their facilities for their large congregation and for visiting delegates to their ample conference facilities.

The refurbishment saw both the ladies' and mens' facilities being fitted out with our Cairngorm range of cubicles in a colour scheme of a classic matt black for the pilasters and side panels and Noisetier Naturel wood grain finish for the cubicle doors and duct panels to the rear of the cubicles, which in the Ladies' was designed with extra high panels to suit the respective high ceilings of the room.

The elegant look, adding to the modern aesthetic of the facilities was complemented with matching Compact Grade Laminate panels underneath the Corian Washbasin vanity units. The mens' washroom was further enhanced with the addition of matching privacy panels between the banks of urinals.

Cubicle Centre is a leading manufacturer of washroom panel products in the UK. An extensive range of toilet cubicles and washroom systems are available on a manufacture and supply basis - all designed to allow for simple installation by any competent tradesperson.

“

As a busy church and conference facility we see thousands of individuals through our campus annually, so we needed bathroom units that could withstand heavy usage. We are so delighted with the range that we selected from Cubicle Centre. Not only are they sturdy, but they also look amazing!

Rob Hutcheson
Operations & Business Manager,
Life Church Bradford
